

# TECHNICAL DATA SHEET

## ANTI-SLIP TAPE

**T&GSS 745-746-747**

### Technical data

	u. m.	Typical value	Tolerance
<b>Total thickness</b>	µm	<b>700</b>	+/- 10%
<b>Longitudinal elongation at breakage</b>	%	<b>5</b>	2 - 8
<b>Adhesion to steel plate</b>	g / cm	<b>400</b>	+/- 25%
<b>Rolling ball tack</b>	cm	<b>5</b>	≤ 15
<b>Temperature range</b>	°C	<b>-30</b>	+110

Test methods are available on request

<b>Available color</b>	Black
<b>Adhesive</b>	Acrylic
<b>Backing</b>	Corindum
<b>Liner</b>	Siliconised paper

**Applications** Anti-slip adhesive tape that can be used on several materials where accident precaution is needed

### Guarantee

The product and its functionality are guaranteed for a period of 6 months from delivery date.

Good adhesive performances

Good temperature resistance
